PATENT TRADEMARK OFFICE

PATENT ASSIGNMENT

THIS PATENT ASSIGNMENT (this "Assignment") is entered into as of April 19, 2004, by and among SATV, LLC, a Delaware limited liability company ("Assignee"), IPI Innovations, Inc., a Utah corporation ("IPI Innovations"), IPI ATV, Corp., a Utah corporation ("IPI ATV"), IPI Marketing, LLC, a Utah limited liability company ("IPI Marketing"), HHH Enterprises, LLC, a Wyoming limited liability company ("HHH LLC" and together with IPI Innovations, IPI ATV and IPI Marketing, "Assignors," and each of the Assignors individually, an "Assignor"). Capitalized terms not otherwise defined herein shall have the meaning ascribed to such terms in the Asset Purchase Agreement (as defined below).

RECITALS

WHEREAS, on April 19, 2004, K2 Inc., Assignee, Assignors, the Owners and Dennis H. Hancock as Sellers Agent entered into that certain Asset Purchase Agreement (the "Asset Purchase Agreement"); and

WHEREAS, pursuant to Section 2.1(c) of the Asset Purchase Agreement, Assignor desires to assign to Assignee all of Assignor's right, title, and interest in and to all patents or patent applications of any kind or nature, wheresoever issued or pending anywhere in the world including without limitation the patents and applications listed on Exhibit A attached hereto and incorporated herein (collectively, the "Patents").

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises, the mutual covenants and agreements contained in the Asset Purchase Agreement, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and the covenants and agreements in this Assignment and to induce Assignee to consummate the transactions contemplated by the Asset Purchase Agreement, Assignors hereby agrees as follows:

1. **Grant.** Assignors do hereby sell, transfer, convey, assign and deliver to Assignee all of the Assignors' right, title, and interest in and to the Patents, together with the goodwill of the business pertaining thereto, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignors if this Assignment and sale had not been made; together with all claims for damages by reason of past infringements of the Patents, along with the right to sue for and collect such damages for the use and benefit of Assignee and Assignee's successors, assigns and other legal representatives.

2. **Representations and Warranties of the Parties.** Each party warrants that (i) this Assignment is a legal, valid and binding obligation of the warranting party, (ii) it has full power and authority to enter into and perform its obligations under this Assignment in accordance with its terms, and (iii) it is and will remain free of any obligations and restrictions that would prevent or impede its performance of its obligations under this Assignment. For the avoidance of doubt, the representations and warranties contained in this Assignment shall not in any way limit or expand the representations and warranties contained in the Asset Purchase Agreement.

3. Further Assurances. Each party will, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the above assignment, including any actions or documents required by the applicable registrar to document the transfer herein or as may be necessary to protect, secure and vest good, valid and marketable title to the Patents and related rights in Assignee.

4. Recording of Assignment. Assignors hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any officer of any country or countries foreign to the United States, whose duty it is to issue service marks, trademarks, or other evidence or forms of intellectual property protection or applications as, to issue the same to Assignee and Assignee's successors, assigns and other legal representatives in accordance with the terms of this instrument.

5. Counterparts. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

AND WHEREAS, Stearns Inc., a corporation organized and existing under and by virtue of the laws of the State of Minnesota, and having an office and place of business at 1100 Stearns Drive, Sauk Rapids, MN 56379 (hereinafter "STEARNS") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patents to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, SATV has sold, assigned, and transferred, and by these presents do sell, assign and transfer unto STEARNS, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid applications, and in and to the application, all divisions, continuations, or renewals thereof, all Letters Patent which may be granted therefrom, and all reissues or extensions of such patents, and in and to any and all applications which have been or shall be filed in any foreign countries for Letters Patent on the inventions and improvements, including an assignment of all rights under the provisions of the International Convention, and all Letters Patent of foreign countries which may be granted therefrom; and SATV does

hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to STEARNS as the assignee of the entire right, title and interest in and to the same, for the use of STEARNS, its successors and assigns.

AND, for the consideration aforesaid, SATV does hereby agree that it, its executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to STEARNS, its successors and representatives all facts known to SATV relating to said improvements and the history thereof and will generally do all things which may be necessary or desirable more effectually to secure to and vest in STEARNS, its successors or assigns the entire right, title and interest in and to the improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore SATV covenants and agrees with STEARNS, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by SATV and that full right to convey the same as herein expressed is possessed by SATV.

IN TESTIMONY WHEREOF, this Assignment is executed this 2 day of July, 2004.
